### Driving directions

Address: C. 78 485, Barrio de Santiago, Centro, 97000 Centro, Yuc. Casa Mariposa is located in Merida Centro on Calle 78 between Calle 55 & 57. Taxis from the airport take approximately 15-20 minutes. Leaving the airport, you'll turn right on Benito Juarez/Mexico 261 and continue for about 5 km until you see the zoo on the right. Then you'll turn right on Calle 59, left on Calle 80, right on Calle 55, and then the next right on Calle 78. The house will be in about the middle of the block on your right. Taxis from the airport to Centro cost about \$400 MXP. While Uber is also available in Merida, they are not allowed to pick up from the airport. If you want to rent a car, we recommend Xootrip, a car rental service which will deliver and pick up the car from the house.

### Parking

The house has a garage big enough for 2 compact cars. If you have a longer vehicle, you may need to find street parking or park in front of the garage. You will receive a garage opener upon check-in. Lost garage opener will result in a \$200 USD garage to replace - so be careful not to lose! :) Parking is available anywhere in front of the house on the westward side of Calle 78. Do not park in front of garages (except your own) or red curbs as you will likely be towed. Look for white or unpainted curbs when parking in Centro. While some park on yellow curbs for short periods of time, you can still get a ticket/towed from these areas.
